

SAB has a specific dress code and we require all our Summer Course students to adhere to it when in classes. Below are the dress code requirements listed by the type of class. The age ranges provided here are general, as class placement is not based on age alone. Please keep in mind that it is difficult to know precisely which age-clothing-category your student will fall into until their placement class has occurred when they arrive.

## Girls Dress Code by Class

Our basic girls class uniform is a plain leotard and pink tights with leotard colors varying by class level or type. Leotards can be any brand or style, however, we prefer that they not be made of lace or velvet and that they do not have side or front cutouts. Leotards should also not have trim or accents in different colors.
