## THE RESIDENCE HALL IS EQUIPPED WITH THE FOLLOWING ITEMS

- ◆ Paper towels, toilet paper and trash bags

- ◆ Two televisions/DVD players (located in common areas)
- ◆ Vacuum cleaners
- ◆ Board games
- ◆ A small refrigerator in each suite
- ◆ Basic cleaning supplies in each suite
- ◆ Shower curtains

## THINGS TO NOTE:

**Because student rooms are not wired for cable it is not necessary to bring televisions.** Our residence hall has two lounge spaces equipped with cable as well as DVD players for shared student use.

**Laptop computers and other electronic devices are welcome.** The residence hall is WiFi equipped for basic email, web browsing and communication applications such as Skype and FaceTime. Entertainment streaming services such as Netflix and Amazon Prime Streaming are blocked.

**It's important that students carefully guard their belongings throughout the Summer Course.** Rooms are

not equipped with safes so students should leave all unnecessary valuables behind. Students should lock their rooms when they are not in them and have a conversation with roommates about respecting each other's property.

**Please write your student's name or initials with permanent marker inside all clothing--especially dance wear.** Students will be sharing laundry facilities and it is not uncommon for similar-looking items to become mixed up. Properly labeling clothing will help to minimize confusion and ensure that your student's tights and leotards stay with their proper owner.
