

SAB Prep & Level I Makeup Policy 2025-2026

Our 2025-2026 SAB school year makeup class policy is designed to ensure that all students receive consistent training throughout the year and have the opportunity to participate in the same number of classes, regardless of when school closures occur.

Here are the key points to keep in mind:

- **Consistent Training Across the Year:** The number of makeup classes allowed per student is based on maintaining consistency in training and class attendance for all students across the year.
- **Makeup Class Allotments Vary by Level:** The number of makeup classes each student is eligible for depends on their level and how many times the school is closed on their class days throughout the year. This means some levels may have more or fewer makeup opportunities than others. See more information below.
- **Flexibility in Scheduling:** Makeup classes do **not** have to coincide with school closures. They can be scheduled at any time throughout the school year that works for your schedule and the available class offerings. However, if you prefer to use closures as makeup opportunities, that is also allowed.
- **Absences Not Eligible for Makeups:** Please note that makeup classes are not provided for student absences due to illness, family obligations, or other personal reasons. The policy only applies to classes missed due to school closures.
- **Scheduling Makeups:** All makeup classes must be arranged through Lauren King. Please contact Lauren at lking@sab.org directly to view availability and schedule your student's makeup classes.

Please reach out if you have any additional questions!
